Unfortunately, they give us moregle work here to use up such week night and any extra studies or couls fordence are of necessity hundled on the week ends. I didn't intend that you be bothered when I made the request through Juy, but again I have that I would never univer anything without your spelific 25. lo a usult I am deeply voleged to your and wint thank you enough for your pindness - both in this and in many past instances. I just hope that when my paper is finished I will have somehow made clear my feelings for DJ WApproved For Release 2003/07/30 : CIA-RDP80R01731R003100220071-0
